6. General Elective Total Required Credits= 6 from any of the following courses: <ul style="list-style-type: none"> Any courses offered by the CoSGC but not taken as part of the GER (as listed above). Any non- business courses offered at the AU. Non-business courses offered by other accepted educational institutions (pre-approvals by the CoB and SA are required). 	General Notes: <ul style="list-style-type: none"> A minimum of 126 Credit hours are required to graduate with one concentration. All students must consult their respective advisor/s throughout their full study cycle with due approval at specific milestones. The policies listed in 'CoB Academic Policies' are strictly applied to all study plans and in related management activities; e.g. concentration selection, double concentration, internship, ...etc. Study plans based on the listed courses are effective for students starting Fall 2013/2014. All courses are 3 credits unless stated otherwise. GER courses must be completed during the first two years (Freshman & Sophomore) with limited spill over. The diagram below presented as example for illustration purposes only. Double Concentration: students completed 60 credits with cumulative GPA of 3.2, can select two concentrations. These students must complete a minimum of 144 Credits to graduate, which covers 36 credits of the two concentrations, 9 credits as BEC's, plus all required GER and BCC. For more information, please see the double concentration policy.
